

**PREP ASSIGNMENT
SEASON 2023, EPISODE TWENTY-FOUR
PARTS 45, 46, AND 47:
GOVERNMENT PROPERTY, QUALITY
ASSURANCE, AND TRANSPORTATION**

Preparation Assignment (20 points each)

Fill In the Blank Questions:

1. Government property, other than _____ and _____ necessary for installing special _____, special _____ equipment, or _____, shall not be installed or constructed on _____ real property in such fashion as to become _____, unless the head of the contracting activity determines that such installation or construction is _____ and in the Government's best interest.
[Hint: Check out **FAR 45.102**]
2. The Government retains _____ to all Government-furnished _____ until properly disposed of, as authorized by _____ or _____.
[Hint: Check out **FAR 45.401**]
3. Agencies shall establish procedures for determining when higher-level _____ requirements are necessary, for determining the _____ (both the likelihood and the impact) of _____, and for advising the _____ about which higher-level standards _____ be _____ and _____ in the solicitation and contract.
[Hint: Check out **FAR 46.202**]
4. Generally, the contractor's obligations under _____ extend to all _____ discovered during the _____ period but do not include _____ caused by the Government. When a _____ for the entire item is not advisable, a warranty may be required for a particular aspect of the item that may require special _____.
[Hint: Check out **FAR 46.706**]
5. Discrepancies incident to *shipment* include _____, _____, _____s, _____, and other discrepancies between the _____ and/or _____ of *supplies* received from _____ and the _____ and/or _____ of these *supplies* as shown on the covering _____ or other transportation document. [Hint: Check out: **FAR 47.207-10**]

“Look ‘Em Ups” (Enter the FAR cite and Answer)

1. What are the seven (7) “unusual conditions or circumstances” that may require the use of terms other than f.o.b. origin or f.o.b. destination?
2. According to FAR Part 45, what specific “property” related information must be “listed” in a solicitation when the Government anticipates the transfer and use of “Government” furnished property during the performance of a federal government contract?

FAR Question:

What four (4) things must a contracting officer consider when determining the “value” and enforceability of a warranty offered in a contractor’s solicitation?

FUN Question: Speaking of warranties, one of my favorite grocery stores offers a “warranty” that they call the “Twice as Nice Guarantee”. What is the name of that chain of grocery stores? For an additional twenty (20) “FUN” points tell me the remedy offered by the store to their customers under this warranty.
